

## VACANCY ANNOUNCEMENT

### MEDICAL OFFICER- WEMA MEDICAL CENTRE

Wema Medical Clinic, a business unit within the LVCT Group, is a private clinic that provides primary and secondary level healthcare services. The clinic, riding on a long history of provision of high-quality and targeted services under a non-governmental model, is transitioning to offer consultancy, on-site pharmacy and laboratory as well as imaging services. There is a high expectation for staff to provide high-quality professional services.

LVCT Group invites applications from qualified candidates for the above position based in Nairobi, Kenya. The position holder will be responsible for providing quality and safe healthcare services to patients while adhering to relevant evidence-based practices and the Group's policies and procedures to meet treatment goals.

<b>Position:</b>	Medical Officer- Wema Medical Centre	<b>MO/WEMA/09/2022</b>
<b>Location:</b>	Nairobi	

#### Responsibilities:

- Review and examine patients consistently by performing such duties as taking case histories, conducting physical examinations, and ordering diagnostic laboratory and radiology studies in compliance with evidence based practice and established protocols.
- Monitor acute and chronically ill patients' progress on a regular basis.
- Initiate discussions with patients and care givers to enable better diagnostic and therapeutic medical care and services.
- When necessary, carry out privileged and potentially life-saving emergency surgical and medical procedures.
- Provide evidence based screening and wellness examinations, risk assessment, early detection and education on prevention of illness.
- Provide management of communicable and non-communicable diseases that are of public health interest including (but not limited to) HIV and TB.
- Initiate timely discussions with relevant consultants/departments to arrive at the best treatment plan for specialized cases.
- Ensure smooth and efficient referral of patients.
- Work closely with members of the clinical and non-clinical teams to provide patient centric, coordinated care, reduce errors and waste and create efficiency in resource utilization.
- Actively participate in clinic quality initiatives in collaboration with the institutional management and Quality and Patient Safety team.

## Requirements:

- Bachelor of Medicine and Bachelor of Surgery (MBChB) or equivalent
- Successful completion of post-training internship.
- Valid registration by the Kenya Medical Practitioners and Dentists Board.
- Valid private practice license.
- Advance Cardiac Life Support and Advance Trauma Life Support (ACLS & ATLS)
